Interested in a pet wash but not sure where to put it?

All Paws Pet Wash stations partner well with:

- Dog Parks
- Dog Runs
- Pet Stores
- Groomers
- Kennels
- Pet Hotels
- Gas Stations
- Car Washes
- RV Parks
- Laundromats
- Campgrounds
- Veterinary Hospitals

Plus, All Paws Pet Wash stations are fully modular so they can be easily relocated or moved and store during colder months!

All Paws Pet Wash units comply with the 2010 ADA Standards for Accessible Design section 35 of 28 CFR parts 35 published by Department of Justice September 15, 2010 as shown on fabrication drawings for each unit.
Flip-Tub Model

OPERATING INSTRUCTIONS:
1. Select “Rinse” to wet pet.
2. Select either Tearless or Oat Shampoo shampoo pet.
3. Select “Rinse” to rinse pet.
5. Rinse pet.
6. Select and apply the “Flea & Tick” or “Deodorizer” if you wish.
7. Select “Rinse” to remove any remaining soap residue.
8. Select “Dryer” to remove excess water.
9. Please use “Tub Disinfectant” to clean up when you’re done!

For your convenience, a brush handle is provided near the base of the tub in case you wish to wash your pet on the ground instead.

To prepare the pet wash for loading, pull the tub away from the back of the unit and towards you, as shown in Illustrations 1 & 2.

Once the tub is exposed in the horizontal position, you're ready to wash!

Once finished using the pet wash, don’t forget to disassemble the tub and return it to the upright position.

PATENT PENDING
